Hi Michael, hope you are well. I would be happy to connect towards the end of the day tomorrow if that works for you - about 5:45? Best,

Hi Tomas,

We now have a definite plan for the October 19th CEG meeting. Would it be possible for you to give a call to discuss specific issues that we have in mind assuming you're available on the 19th to meet with CEG members virtually?

Thanks,  
Michael

**Subject:** CEG Meeting October 19th

Hi Joe,  
I hope you had a chance to enjoy the summer and that work is proceeding well.

We have scheduled a virtual CEG meeting for the afternoon on October 19th. I would like to invite you to speak to the member companies about the current air quality and climate priorities your office has set. I have also invited Tomas Carbonell to meet with CEG and cover in detail the current status of policies directly affecting the electric sector. I think you're in a position to cover all of the other key OAR issues including the NAAQS revisions, transportation policies and the broader set of climate related initiatives.

If necessary I'm happy to submit a formal request for your participation.

Thanks,  
Michael

Peter,  
I hope you found time to enjoy the summer. I'm in the early stages of planning for an October CEG meeting possible in DC. Can we schedule a call to discuss issues and options for having OAQPS participate?

Thanks,  
Michael
